- **Source:** Toast Order Details reports for Online Ordering, Nov 1–30 and Dec 1–31, 2025 (55 November and 136 December orders). Each order is assigned to an event by its pickup date: Thanksgiving pickups = Nov 25–26; Nordic popup weekend = Dec 13–14 (Nordic items were pickup Dec 14 only); Holiday pickups = Dec 16 and Dec 20.
- **Food** combines the Nordic popup items, Thanksgiving items (gravy, cranberry sauce, brine kit) and Holiday Market items (biscuits, crackers, pound cakes). Products within each type are listed highest sales first.
- **Not included:** 71 eGift cards sold online ($12,315: Nov $720, Dec $11,595). Gift card sales are not retail product sales.
- **Unit price** is the Toast menu price per item (before tax). Where an item was sold at more than one price, the range is shown. *Kardemummabullar sold as single buns ($8; $16 on seven "one bun" lines) and as 6-piece boxes ($48–$56), so its Qty counts order lines, not individual buns.
- Spiced Apple Butter appears under a second name ("Chef's Special apple butter") on some orders and is combined here. Duck liver mousse appears under two Toast item names and is shown separately.
